

1 UNITED STATES DISTRICT COURT
2 NORTHERN DISTRICT OF CALIFORNIA

3
4 MICHAEL GAREDAKIS, et al.,

5 Plaintiffs,

6 v.

7 BRENTWOOD UNION SCHOOL
8 DISTRICT, et al.,

9 Defendants.

Case No. 14-cv-4799-PJH

**ORDER GRANTING DEFENDANTS'
ADMINISTRATIVE MOTION IN PART
AND DENYING IT IN PART**

10
11 Before the court is defendants' motion requesting an "informal telephone
12 conference" and an extension of page limits for their upcoming motion for summary
13 judgment. The request for an additional 50 pages for the opening brief and the
14 opposition brief is DENIED. The court will permit an additional ten pages for the opening
15 brief and the opposition brief, and an additional five pages for the reply brief. The request
16 for an additional two weeks to oppose the motion is DENIED.

17 The motion will be filed in accordance with the Civil Local Rules of this court and
18 the case management and pretrial order. To the extent the parties anticipate that the
19 court will be able to issue an order on the summary judgment motion by April 20, 2016,
20 the court reminds the parties that it normally requires 30-60 days following a hearing on a
21 dispositive motion to issue an order. That is the reason that the court sets the deadline
22 for hearing dispositive motions four months from the date set for the trial.

23 The court finds it unnecessary to conduct a telephone conference on this matter.

24
25 **IT IS SO ORDERED.**
