8	UNITED STATES DISTRICT COURT	
9	Northern District of California	
10	San Francisco Division	
11	CALLWAVE COMMUNICATIONS, LLC	C, No. C 14-80112 JSW (LB)
12	Petitioner,	ORDER REGARDING CALLWAVE AND LOCATION LABS' JOINT
13	v.	DISCOVERY DISPUTE LETTER DATED DECEMBER 15, 2014
14	WAVEMARKET, INC. D/B/A LOCATIO LABS,	N [Re: ECF No. 43]
15	Respondent.	[red Ber Tvor le]
16	/	
17	The court grants Callwave's motion for discovery of the documents that Location Labs gave to	
18	AVG as part of AVG's due diligence in its acquisition of Location Labs. Location Labs says that it	
19	already produced 714 pages and argues that doing even that has been unduly burdensome, but this	
20	assertion is made without support. It also asserts that the documents are irrelevant, but it does not	
21	rebut Callwave's argument that the information is relevant to two of the <i>Georgia Pacific</i> factors.	
22	Finally, Location Labs does not provide any context for its assertion of the common interest	
23	privilege, nor does it show that the documents are privileged in the first place. The court's extensive	
24	prior discovery and case management hearings also provide context for this outcome.	
25	The court denies Location Lab's motion for further costs.	
26	IT IS SO ORDERED.	118
