11 The Court has reviewed the two joint discovery letters submitted by counsel on May 27,
12 2016. (Dkt. Nos. 34, 35.) Based thereon, the Court **ORDERS** as follows:

13 (1) The parties' deadlines for completing non-expert discovery and for filing motions to
14 compel further discovery are **CONTINUED**. The non-expert discovery cut-off is extended to and
15 including **June 15, 2016**, and the deadline to file any motions to compel further discovery is
16 extended to and including **June 22, 2016**.

17 (2) Comcast's request for two additional hours to complete Plaintiff's deposition is
18 **GRANTED**. Comcast has established good cause for the additional time consistent with Federal
19 Rule of Civil Procedure 26(b)(2).

20 (3) Plaintiff's request to compel production of a privilege log and certification that all
21 responsive documents have been produced is **DENIED WITHOUT PREJUDICE**, based upon
22 Comcast's assertion that it will have provided a privilege log by close of business on May 31,
23 2016, and is continuing to meet and confer on the remaining production issues.

24 **IT IS SO ORDERED.**

25 This terminates Docket Nos. 34 and 35.
