¹ Defendant should note whether this amount is higher or lower than the amount sought in the Second Amended Bill of Costs, and provide a brief, one- to two-sentence explanation (with citation(s) to its briefing on this motion) explaining the reason for the change. If there is no change, Defendant should note that.

² Plaintiff should note whether its objection at this stage of the litigation is higher or lower than the amount to which it objected in Defendant's Second Amended Bill of Costs, and provide a brief, one- to two-sentence explanation (with citation(s) to its brief on this motion) explaining the reason for the change. If there is no change, Plaintiff should note that.

Total						<i>See footnote.³</i>

³ Plaintiff should enter here two totals: the total amount to which it objects, and the total amount to which it believes Defendant is entitled. The sum of these numbers should equal the total amount of costs requested by Defendant in its motion.
