UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

PHOENIX TECHNOLOGIES LTD.,  
Plaintiff,  
v.  
VMWARE, INC.,  
Defendant.

Case No. [15-cv-01414-HSG](#)

**FINAL ORDER DIRECTING  
TAXATION OF COSTS**

Re: Dkt. No. 503

On September 30, 2018 the Court granted in part and denied in part Defendant VMWare, Inc.'s motion for review of the Clerk's taxation of costs. See Dkt. No. 503 ("Order"). The Court directed Defendant to file an accounting and documentation of the costs of the trial transcripts, which it did on October 3, see Dkt. No. 504 ("Accounting").

In its Accounting, Defendant sought \$6,486.81 in costs for daily transcripts. Accounting ¶ 6. Defendant calculated that total by multiplying its cost per page for daily transcripts (\$3.63) by the total number of transcript pages for which it was charged (1,787 pages). *Id.* ¶¶ 3–6. The Court finds this to be a reasonable and fair estimate of the cost of transcripts for trial. As previously ordered, the Court will also award \$262.65 for the cost of the summary judgment transcript. See Order at 6. In total, the Court awards an additional \$6,749.46 in costs for transcripts.

Having made its final determinations in this matter, the Court now directs the Clerk to tax costs as follows:
