UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

KELLY NELSON, et al.,

Plaintiffs,

v.

SEAWORLD PARKS AND
ENTERTAINMENT, INC.,

Defendant.

Case No. [15-cv-02172-JSW](#)

**ORDER TO PLAINTIFFS TO SHOW
CAUSE REGARDING MOTION TO
SEAL**

Re: Dkt. No. 569

On January 19, 2021, Defendant filed an administrative motion to seal portions of its motion for attorneys' fees and exhibits thereto. Plaintiffs have not filed a declaration in response to that motion, although Defendant moved to seal portions of the record that Plaintiffs or non-party Earth Island Institute ("EII") designated as confidential. Plaintiffs are **HEREBY ORDERED TO SHOW CAUSE** by July 2, 2021, why the Court should not deny SeaWorld's motion as to any items that Plaintiffs or EII designated as confidential.

IT IS SO ORDERED.

Dated: June 28, 2021

JEFFREY S. WHITE
United States District Judge

United States District Court
Northern District of California
