Re: MDL Dkt. No. 402

10 **CARL KNAUS, et al.,**

11 Plaintiffs,

12 vs.

13 **THE BOEING CORPORATION,**

14 Defendant.
15

16 Currently pending before the Court is an unopposed motion for approval of minor's
17 compromise filed by plaintiffs Kee Seung Han and Kyoung Sook Kim on behalf of minor H.S.H.
18 (MDL Dkt. No. 402.) Having carefully considered the motion and declarations submitted in
19 support thereof, the Court requests additional information and explanation before ruling on the
20 pending motion. In particular, the moving parties must address the following issues:

- 21
- 22 1. What evidence exists in support of the assertion that the "gross settlement amount is
23 comparable to the amount accepted as settlement by dozens of similarly injured
24 passengers," as stated in the motion on page 3, lines 22 through 23? The proposed
25 settlement amount appears low relative to other settlements previously approved by
26 the Court on behalf of minors in this MDL, especially in light of H.S.H.'s injuries.
 - 27 2. Why the parties chose to deposit the net settlement funds into an account with the
28 Korean Exchange Bank rather than a beneficial financial structure, such as an
annuity or other structured payout.
