ANGELE GIROUX,
Plaintiff,
v.

Case No. 16-cv-01722-HSG

**ORDER GRANTING STIPULATION
REGARDING TENTATIVE
SETTLEMENT AND CASE
DEADLINES**

Re: Dkt. No. 60

On February 15, 2018, the parties notified the Court that they have agreed on the key terms of a proposed settlement and are working to formalize a written settlement agreement. See Dkt. No. 60. The parties anticipate finalizing the settlement agreement within 45 days. To provide adequate time to finalize the settlement, the class certification hearing previously set for April 12, 2018, at 2:00 p.m. is continued to May 24, 2018, at 2:00 p.m. Unless otherwise ordered, Plaintiff shall file the class certification motion by no later than April 19, 2018, but need not do so if a motion for preliminary approval is filed before that date. All other case deadlines are vacated.

IT IS SO ORDERED.

Dated: 2/20/2018
