6
7 MICHAEL I BROWN-SEALS,
8 Petitioner,
9 v.
10 FRANCISCO JAQUEZ,
11 Respondent.

Case No. [16-cv-04763-PJH](#)

**ORDER DISMISSING CASE AND
DENYING CERTIFICATE OF
APPEALABILITY**

Re: Dkt. No. 7

12
13 Petitioner, a California prisoner, filed a pro se petition for a writ of habeas corpus
14 pursuant to 28 U.S.C. § 2254. Petitioner challenged a 2005 conviction from the Lake
15 County Superior Court. However, court records indicated that petitioner already filed a
16 habeas petition in this court challenging the same conviction. *See Seals v. Jaquez*, Case
17 No. 10-cv-3707-PJH. That case was dismissed with prejudice as barred by the statute
18 of limitations and was affirmed by the Ninth Circuit. The court ordered petitioner to show
19 cause why this case should not be dismissed as a successive petition. He has filed a
20 response.

21 “A claim presented in a second or successive habeas corpus application under
22 section 2254 that was not presented in a prior application shall be dismissed . . .” 28
23 U.S.C. § 2244(b)(2). This is the case unless,

24 (A) the applicant shows that the claim relies on a new
25 rule of constitutional law, made retroactive to cases on
collateral review by the Supreme Court, that was previously
unavailable; or

26 (B) (i) the factual predicate for the claim could not have
27 been discovered previously through the exercise of due
diligence; and

28 (ii) the facts underlying the claim, if proven and viewed
in light of the evidence as a whole, would be sufficient to

1 establish by clear and convincing evidence that, but for
2 constitutional error, no reasonable factfinder would have
3 found the applicant guilty of the underlying offense.

4 28 U.S.C. § 2244(b)(2).

5 “Before a second or successive application permitted by this section is filed in the
6 district court, the applicant shall move in the appropriate court of appeals for an order
7 authorizing the district court to consider the application.” 28 U.S.C. § 2244(b)(3)(A).

8 Petitioner states that he recently filed a request with the Ninth Circuit and is waiting for a
9 response. This case is dismissed without prejudice and petitioner may proceed with a
10 successive petition if he obtains permission from the Circuit.

11 **CONCLUSION**

12 1. Petitioner’s motion for an extension (Docket No. 7) is **GRANTED** and the
13 response is deemed timely filed.

14 2. The petition is **DISMISSED** without prejudice for the reasons stated above.
15 Because reasonable jurists would not find the result here debatable, a certificate of
16 appealability (“COA”) is **DENIED**. See *Slack v. McDaniel*, 529 U.S. 473, 484-85 (2000)
17 (standard for COA). The clerk shall close the file.

18 **IT IS SO ORDERED.**
