UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

SEMICAPS PTE LTD,
Plaintiff,

v.

HAMAMATSU CORPORATION, et al.,
Defendants.

Case No. [17-cv-03440-DMR](#)

**ORDER DENYING ADMINISTRATIVE
MOTION TO SEAL**

Re: Dkt. No. 125

United States District Court
Northern District of California

On July 6, 2021, Defendant Hamamatsu Corporation filed an administrative motion to seal its motion for leave to take third party discovery out of town, seeking to file under seal the entire motion itself, the proposed subpoenas, and two exhibits in support of the motion. [Docket No. 125.] Defendant moved to seal these materials solely on the grounds that they “contain information derived from” materials that Plaintiff SEMICAPS PTE Ltd. designated as confidential and highly confidential. However, the motion is not “narrowly tailored to seek sealing only of sealable material,” *see* Civ. L.R. 79-5(b), and Plaintiff has not filed a responsive declaration as required by Civil Local Rules 79-5(e)(1) and 79-5(d)(1)(A) establishing that these documents are sealable. Therefore, the motion to seal is denied.

IT IS SO ORDERED.

Dated: July 19, 2021
