9 v.

10 CP OPCO, LLC, et al.,

11 Defendants.

Case No. [17-cv-04915-HSG](#)

**ORDER SETTING SETTLEMENT
SCHEDULE**

Re: Dkt. No. 120

12 On January 28, 2019, the Court granted Plaintiffs' unopposed motion for preliminary
13 approval of a class action settlement and directed the parties to submit a proposed schedule. See
14 Dkt. No. 119. Having considered the parties' proposed schedule, Dkt. No. 120, the Court finds
15 that the deadline for class members to opt out or object should be prior to the deadline for the final
16 approval motion, so that information about opt-outs and objections can be included in the motion.
17 This schedule change eliminates the need for a reply brief. In addition, the Court finds that the
18 proposed nine-day period for class members to opt out or object is insufficient. Based on the
19 parties' proposal and these determinations, the Court **SETS** the following deadlines:

20

Event	Date
Insperty will provide class member contact information to Settlement Administrator	February 12, 2019
Deadline for Settlement Administrator to mail notice to all putative class members	February 26, 2019
Filing deadline for attorneys' fees and costs motion	March 19, 2019
Filing deadline for incentive payment motion	March 19, 2019
Deadline for class members to opt out or object to settlement and/or application for attorneys' fees and costs and incentive payment	April 9, 2019
Filing deadline for final approval motion	April 23, 2019
Deadline for Defendants to file declarations verifying CAFA notice was provided	April 30, 2019

No. 78, should not be terminated as moot, without prejudice to renewal if final approval is not granted. Insuperity shall file a statement of no more than two pages by February 12, 2019.

This order terminates Dkt. No. 120.
