2 Plaintiffs American Lung Association, American Public Health Association, American  
3 Thoracic Society, Appalachian Mountain Club, Center for Biological Diversity, Environmental  
4 Defense Fund, Environmental Law and Policy Center, National Parks Conservation Association,  
5 Natural Resources Defense Council, Sierra Club, and West Harlem Environmental Action  
6 (“Plaintiffs”) hereby move that the Case Management Conference currently scheduled for March  
7 13, 2018, be continued with the Court’s approval to the first Tuesday occurring two weeks after  
8 the Court issues an order on the Motions for Summary Judgment currently pending in this case,  
9 or to a later date that is convenient to the Court.

10 The Motions for Summary Judgment, one by health and environmental Plaintiffs and the  
11 other by State plaintiffs, are fully briefed, argued, and submitted, with this Court having held a  
12 motions hearing on February 22, 2018. The outcome of this Court’s order will likely impact the  
13 parties’ perspectives on their continuing case management needs. Thus, Plaintiffs request a  
14 continuance until after this Court’s ruling to promote efficiency for the parties and the Court. The  
15 other parties have stated that they do not oppose the motion.
