#### MEMORANDUM FOR SECRETARY OF THE ARMY

SUBJECT: Emergency Construction Authority to Reduce the Risk from Terrorist Attacks on Weapons of Mass Destruction Stockpiles at Various Installations

Pursuant to the National Emergencies Act, 50 U.S.C. 1601 *et seq.*, the President has signed an Executive Order, dated November 16, 2001, invoking the emergency construction authority of 10 U.S.C. 2808 to approve military construction projects not otherwise authorized by law.

In accordance with that authority, I approve the Department of the Army's request for authority to carry out certain emergency construction projects at various installations.

The use of the Army Materiel Command to accomplish the subject emergency construction, pursuant to 10 U.S.C. 2851, "Supervision of military construction projects," is approved.
