**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA**

5 **OMNI MEDSCI, INC.,**

6 Plaintiff,

7 vs.

8 **APPLE INC.,**

9 Defendant.

CASE NO. 19-cv-05924-YGR

**ORDER GRANTING ADMINISTRATIVE  
MOTIONS TO SEAL**

Re: Dkt. No. 320

10 On October 31, 2019, defendant Apple Inc. filed a motion to dismiss, or alternatively, for  
11 leave to file motion for reconsideration. (Dkt. No. 321.) Defendant simultaneously filed an  
12 administrative motion to seal certain portions of its motion to dismiss and supporting materials.  
13 (Dkt. No. 320.) Defendant did not object to unsealing the materials, but stated that plaintiff Omni  
14 MedSci, Inc. and third-party University of Michigan designated the material as  
15 “CONFIDENTIAL” and “CONFIDENTIAL – ATTORNEYS’ EYES ONLY” under the  
16 protective order and should be given an opportunity to file a declaration establishing that the  
17 material is sealable. (*Id.* at 1.)

18 On November 1, 2019, defendant filed a motion of withdraw its motion to dismiss, or  
19 alternatively, for leave to file motion for reconsideration. (Dkt. 322.)

20 Given that defendant’s motion is now moot, the Court **GRANTS** the pending motion to seal  
21 **WITHOUT PREJUDICE** to the parties filing additional such motions in connection with any  
22 renewed motion to dismiss, which the Court would consider on the merits.

23 This Order terminates Docket Number 320.

24 **IT IS SO ORDERED.**

25 Dated: November 6, 2019
