

## Google AdWords Keyword Suggestions

[Close window](#)

Get ideas for new keywords that can help you improve your ad relevance. If you're running your ads on broad-matched keywords, you may also find additional terms that may trigger your ads.

(Please note that we can't guarantee these keywords will improve your campaign performance. We also reserve the right to disapprove any new keywords you add. For more details, please review our [Terms and Conditions](#).)

Enter **one** keyword or phrase per line: Suggestions are tailored to language and country:

	All Languages ----- <b>English</b> Chinese (simplified) Chinese (traditional) Danish	All Countries ----- <b>United States</b> United Kingdom Canada Germany

### More Specific Keywords

These are popular queries that include your keyword. If you're showing your ads on broad-matched keywords, these queries may trigger your ads. To increase your clickthrough rate, you should consider replacing your general keywords with any relevant, more specific suggestions you see here. You should also identify any irrelevant terms and add them as negative matches (otherwise your ads will show for terms that don't pertain to your business).
