Mike,

We are happy to agree to increase the page limit for our summary judgment briefs. I think you mentioned ten pages, which is fine. We will sign off on whatever stipulation you think Judge Fogel will find acceptable.

Happy Holidays to you too. Enjoy Africa.

Ajay -- David asked that I follow up on this as he is traveling. It appears that the order reflects the notion that we wanted reciprocity on the page extension for both parties' motions and attendant briefs. However, the motion does not quite mirror the order -- I think you just need to make the word "motion" plural at the end of the second sentence of the first paragraph. With that change, we'll be good to go. Thanks, Carrie

David -- I just wanted to check in again about this. We would like to get it on file today, if possible, to give Fogel sufficient time to rule.

Thanks,

Ajay

Thanks David. I've changed our motion and the stipulation and proposed order to reflect your concern. Is it now OK to sign on your behalf and file?

Thanks,

Ajay

Any stipulation must make clear that this applies to any motion for summary judgment filed by any party in this case, as we contemplate filing a motion as well.

Thank you.

David,

Pursuant to your discussion with Mike Page earlier today, here are:

- (1) a draft stipulation and proposed order to extend the page limits for the summary judgment briefing by 10 pages, and
- (2) the accompanying motion for administrative relief (pursuant to Civil L.R. 7-11).

Please let me know if we have your permission to sign the stipulation on your behalf (or if you want to make any changes).

Thanks,

Ajay
