(4) With respect to Plaintiff Somers' indirect purchaser case, the parties shall limit their discovery to class certification issues. It is further ordered that discovery in each of these cases shall be coordinated. The parties shall notice depositions in both cases. Any depositions noticed shall not count towards the deposition limit set by the Court for both actions. Discovery produced in either action shall be made available and be usable to Plaintiffs' counsel in the other action to the same extent as if it had been produced in that action. All discovery disputes are referred to the assigned Magistrate Judge.

The parties shall file a stipulated briefing schedule with respect to the planned motions for class certification within ten (10) days of the date of this Order.
