iTunes REVIEW
 Her second solo album, *Let It Die*, was the surprise hit of 2005, winning the Canadian Juno Award for Best Alternative Album and its creator Leslie Feist the Best New Artist Award. No longer flying under the radar, this Canadian songstress wrote the follow-up in the Canary Islands and Berlin before settling into a 200-year-old manor house on the outskirts of Paris for two weeks of recording. While *The Reminder* lacks the element of surprise of its predecessor, it delivers on her
