| 1 | The above actions are putative shareholder class actions that assert claims for alleged | | |
|----|--|---|--|
| 2 | violations of the federal securities laws and purported shareholder derivative actions that assert | | |
| 3 | claims for breach of fiduciary duties, unjust enrichment and violation of California Corporations | | |
| 4 | Code sections 25402 and 25502.2. These actions concern the identical or substantially identical | | |
| 5 | defendants, the identical or substantially similar transactions or events, and call for the | | |
| 6 | determination of identical or substantially similar questions of law and fact. | | |
| 7 | Given these similarities, the litigation of these cases before different judges would result | | |
| 8 | in the duplication of labor and expense for both parties and the Court. Defendants, therefore, | | |
| 9 | request that this action and all other subsequent related actions be assigned to the Honorable | | |
