## IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA SAN FRANCISCO DIVISION

The Apple iPod iTunes Antitrust Litigation NO. C

NO. C 05-00037 JW

ORDER DENYING DEFENDANT'S MOTION FOR ADMINISTRATIVE RELIEF

Presently before the Court is Defendant's Administrative Motion Regarding Seven Motions Renoticed by Plaintiffs. (hereafter, "Motion," Docket Item No. 687.) Defendant moves the Court to take one of several forms of action in response to a number of Motions that were renoticed by Plaintiffs in response to the Court's September 27, 2011 Order, on the ground that the "record that Plaintiffs have 'renoticed' is both over- and under-inclusive." (Motion at 2.)

Upon review, the Court does not find good cause to take any of the forms of action requested by Defendant. In its September 27 Order, the Court specifically identified a "number of pending Motions relating to class certification in this case," and instructed the parties to "terminate[] and renotice[]" each of those pending Motions "[i]n light of the Court's grant of additional time for the parties to complete [certain] Supplemental Expert Reports, and in order to control its own docket." (September 27 Order at 1-2.) The Court further explained that "[u]pon renoticing, the Motions remain under submission pending the parties' Supplemental Briefs." (<u>Id.</u> at 2.) Pursuant to the

<sup>&</sup>lt;sup>1</sup> (Order Requiring Parties to Renotice Pending Motions, hereafter, "September 27 Order," Docket Item No. 680.)

27

28

1	Court's September 27 Order, Plaintiffs renoticed the pending Motions for November 28, 2011. <sup>2</sup>	
2	(See Docket Item No. 686.) Thus, Plaintiffs have complied with the Court's September 27 Order.	
3	Accordingly, Defendant's Motion for Administrative Relief is DENIED.
