21 The instant case was terminated on May 1, 2006 pursuant to stipulated judgements
22 entered into between Defendant and each of the three named plaintiffs. Prior to termination of
23 the action, however, Geryl Deane Doucette filed a motion for leave to intervene as a plaintiff,
24 and to file a proposed complaint. Ms. Doucette's motion to intervene was set for hearing on May
25 26, 2006. On May 5, 2006, Defendant filed a statement of non-opposition to Ms. Doucette's
26 motion to intervene.

27 Accordingly, Ms. Doucette's motion to intervene is GRANTED. The Clerk of the Court
28 shall VACATE the hearing date of May 26, 2006 and shall REOPEN the case.
