Note: If you have an issue that involves an imminent and serious threat to your health (such as severe pain or potential loss of life, limb, or major bodily function), you can contact the DMHC directly at any time without first filing a grievance with us.

Dispute Resolution

Grievances

We are committed to providing you with quality care and with a timely response to your concerns if an issue arises. Our Member Service representatives are available to discuss your concerns at most Plan Facilities or you can call our Member Service Call Center.

You can file a grievance for any issue. Your grievance must explain your issue, such as the reasons why you believe a decision was in error or why you are dissatisfied about Services you received. You may submit your grievance orally or in writing as follows:

- To a Member Service representative at your local Member Services Department at a Plan Facility (please refer to *Your Guidebook* for locations)
- Through our Web site at *www.members.kp.org*
- To the following location for claims described under "Non–Plan Emergency Care, Out-of-Area Urgent Care, or Post-stabilization Care" in the "Requests for Payment or Services" section:

We will send you a confirming letter within five days of our receipt of your grievance. We will send you our written decision within 30 days. If we deny your grievance in whole or in part, our written decision will fully explain why we denied it and additional dispute resolution options.

Expedited grievance

You or your physician may make an oral or written request that we expedite our decision about your grievance if it involves imminent and serious threat to your health, such as severe pain or potential loss of life, limb, or major bodily function. We will inform you of our decision within 72 hours (orally or in writing).

We will also expedite our decision if the request is for a continuation of an expiring course of treatment.

Providing Supporting Documents for Your Request

It is helpful for you to include any information that clarifies or supports your position. You may want to include with your grievance supporting information, such as medical records or physician opinions in support of your request. When appropriate, we will request medical records from Plan Providers on your behalf. If you have consulted with a non–Plan Provider, and are unable to provide copies of relevant medical records, we will contact the provider to request a copy of your medical records. We will ask you to send or fax us a written authorization so that we can request your records. If we do not receive the information we request in a timely fashion, we will make a decision based on the information we have.

The following persons may file a grievance:

DMHC Complaints

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(1-800-464-4000)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department' s Internet Web site **http://www.hmohelp.ca.gov** has complaint forms, IMR application forms and instructions online.

Independent Medical Review (IMR)

If you qualify, you or your authorized representative may have your issue reviewed through the Independent Medical Review (IMR) process managed by the California Department of Managed Health Care (DMHC). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you: (1) you have a recommendation from a provider requesting Medically Necessary Services, (2) you have received Emergency Care or urgent care from a provider who determined the Services to be Medically Necessary, or (3) you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition
- Your request for payment or a Service has been denied, modified, or delayed based in whole or in part on a decision that the Service is not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for expedited grievances). The DMHC may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under "Experimental or investigational denials."

If DMHC determines that your case is eligible for IMR, it will ask us to send your case to the DMHC's Independent Medical Review organization. The DMHC will promptly notify you of its decision after it receives the Independent Medical Review organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

Experimental or investigational denials

If we deny a Service because it is experimental or investigational, we will send you our written explanation within five days of making our decision. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested
  - "life-threatening" means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival
  - "seriously debilitating" means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, he or she recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying his or her recommendation
- You (or your non–Plan Physician who is a licensed, and either a board-certified or board-eligible, physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician's certification included a statement of the evidence relied upon by the physician in certifying his or her recommendation. We do not cover the Services of the non–Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

Binding Arbitration

For all claims subject to this "Binding Arbitration" section both Claimants and Respondents give up the right to a jury or court trial, and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *EOC*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

Scope of Arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

1. The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *EOC* or a Member Party's relationship to Kaiser Foundation Health Plan, Inc., (Health Plan), including any claim for medical or hospital malpractice, for premises liability, or relating to the coverage for, or delivery of, Services, irrespective of the legal theories upon which the claim is asserted
2. The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
3. The claim is *not* within the jurisdiction of the Small Claims Court
4. If the Member's Group must comply with the Employee Retirement Income Security Act (ERISA) requirements, the claim is *not* a benefit-related request that constitutes a "benefit claim" in Section 502(a)(1)(B) of ERISA. Note: Benefit claims under this Section of ERISA are excluded from this binding arbitration requirement only until such time as the United States Department of Labor regulation prohibiting mandatory binding arbitration of this category of claim (29 CFR 2560.503-1(c)(4)) is modified, amended, repealed, superseded, or otherwise found to be invalid. If this occurs, these claims will automatically become subject to mandatory binding arbitration without further notice

As referred to in this "Binding Arbitration" section,

1. "Member Parties" include:
   a. A Member,
   b. A Member's heir or personal representative, or
   c. Any person claiming that a duty to him or her arises from a Member's relationship to one or more Kaiser Permanente Parties.
2. "Kaiser Permanente Parties" include:
   a. Kaiser Foundation Health Plan, Inc. (Health Plan),
   b. Kaiser Foundation Hospitals (KFH),
   c. The Permanente Medical Group, Inc. (TPMG),
   d. Southern California Permanente Medical Group (SCPMG),
   e. The Permanente Federation, LLC,
   f. The Permanente Company, LLC,
   g. Any KFH, TPMG, or SCPMG physician,
   h. Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties, or
   i. Any employee or agent of any of the foregoing.
3. "Claimant" refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above.
4. "Respondent" refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

Arbitration Oversight Board and Independent Administrator

In 1997, Health Plan assembled a Blue Ribbon Panel to evaluate the arbitration system and recommend improvements. The Panel's recommendations included the establishment of an Independent Administrator to oversee the arbitration process and an Advisory Committee with broad representation to assist in the independent administration. The Independent Administrator and the Advisory Committee established Rules of Procedure applicable to Health Plan's arbitration system. In 2002, the Advisory Committee was replaced by an Arbitration Oversight Board.

Initiating Arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and telephone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include all claims against Respondents that are based on the same incident, transaction, or related circumstances in the Demand for Arbitration.

Serving Demand for Arbitration

Health Plan, KFH, TPMG, SCPMG, The Permanente Federation, LLC, and The Permanente Company, LLC shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

Kaiser Foundation Health Plan, Inc.
Legal Department
1950 Franklin Street, 17th Floor
Oakland, CA 94612

Service on that Respondent shall be deemed completed when received.

All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

Filing Fee

The Claimants shall pay a single, non-refundable, filing fee of $150 per arbitration payable to "Arbitration Account" regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Independent Administrator waive the filing fee and the Neutral Arbitrator's fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling the Kaiser Permanente Member Service Call Center.

Number of Arbitrators

The number of Arbitrators may affect the Claimant's responsibility for paying the Neutral Arbitrator's fees and expenses.

If the Demand for Arbitration seeks total damages of $200,000 or less, the dispute shall be heard and determined by one Neutral Arbitrator, unless the parties otherwise agree in writing that the arbitration shall be heard by two Party Arbitrators and a Neutral Arbitrator. The Neutral Arbitrator shall not have authority to award monetary damages that are greater than $200,000.

If the Demand for Arbitration seeks total damages of more than $200,000, the dispute shall be heard and determined by one Neutral Arbitrator and two Party Arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a Party Arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a Single Neutral Arbitrator.

Payment of Arbitrator Fees and Expenses

Health Plan will pay the fees and expenses of the Neutral Arbitrator under certain conditions as set forth in the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* (Rules of Procedure). In all other arbitrations, the fees and expenses of the Neutral Arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select Party Arbitrators, Claimants shall be responsible for paying the fees and expenses of their Party Arbitrator and Respondents shall be responsible for paying the fees and expenses of their Party Arbitrator.

Costs

Except for the aforementioned fees and expenses of the Neutral Arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

Rules of Procedure

Arbitrations shall be conducted according to Rules of Procedure developed by the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from the Member Service Call Center.

General Provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondents served by the applicable statute of limitations, or (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (i) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (ii) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the Neutral Arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the Neutral Arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for noneconomic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this section.

*Exception: The communities of Bells Station and Knoxville are not in our Service Area.

Note: We may expand our Service Area at any time by giving written notice to your Group. ZIP codes are subject to change by the U.S. Post Office.

Services: Health care services or items.

Skilled Nursing Facility: A facility that provides inpatient skilled nursing care, rehabilitation services, or other related health services and is licensed by the state of California and approved by Health Plan. The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care. The term "Skilled Nursing Facility" does not include a convalescent nursing home, rest facility, or facility for the aged that furnishes primarily custodial care, including training in routines of daily living. A "Skilled Nursing Facility" may also be a unit or section within another facility (for example, a Plan Hospital) as long as it continues to meet the definition above.

Spouse: Your legal husband or wife. For the purposes of this *EOC,* the term "Spouse" includes your domestic partner, in accord with your Group's requirements that we approve in writing.

Subscriber: A Member who is eligible for membership on his or her own behalf and not by virtue of dependent status and who meets the eligibility requirements as a Subscriber (for Subscriber eligibility requirements, see "Who Is Eligible" in the "Dues, Eligibility, and Enrollment" section).

Copayments and Coinsurance

This section discusses Copayments and Coinsurance only. This section does not describe benefits. To learn what is covered for each benefit (including any visit and day limits), please refer to the identical heading in the "Benefits" section (also refer to the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section, which applies to all benefits).

Copayments or Coinsurance are due when you receive the Service, but for items ordered in advance, you pay the Copayment or Coinsurance in effect on the order date (though we will not cover the item unless you still have coverage for it on the date you receive it). In some cases, we may agree to bill you for your Copayment or Coinsurance. If we agree to bill you, we will increase the amount by $13.50 and mail you a bill for the entire amount. However, before you can schedule an elective infertility procedure, you must pay the Copayment or Coinsurance for the procedure along with any past-due, infertility-related Copayments and Coinsurance.
