\_\_\_\_\_

On June 21, 2005, the Court issued an Order Following Case Management Conference detailing the status of pending motions and setting a two day hearing for reconsideration of its July 2004 Markman Order. On June 24, Defendants collectively file a Motion to Clarify June 21, 2005 Order. For clarification, the Court contemplated using the September 8 and 9 hearings to address any reconsideration motion and to consider additional terms of the '992 and '702 patents. The Court deems the Defendants' Motion to be a request to delay a hearing on any addition terms. The request is GRANTED. The parties shall meet and confer and suggest a schedule to consider the additional terms. The schedule shall comply with the Patent Local Rules.
