14 v.

15 GOOGLE, INC., a Delaware corporation,

Case No. C 06-2057 JF

**DECLARATION OF SARA LEWIS IN  
 SUPPORT OF PLAINTIFF'S MOTION  
 FOR PRELIMINARY INJUNCTION  
 AGAINST FURTHER FREE SPEECH  
 VIOLATIONS**

17  
 18 I, SARA LEWIS, HEREBY DECLARE AS FOLLOWS:

19 1. My name is Sara Lewis, and I am a resident of South Pasadena, California. I  
 20 submit this Declaration in support of Plaintiff's Motion for Preliminary Injunction. This  
 21 Declaration is based upon my personal knowledge and, where noted, on my review of relevant  
 22 business records or independent investigation, or both, as the case may be, regarding the matters  
 23 set forth below.

24 2. I am a content manager of KinderStart.com LLC, a California limited liability  
 25 company ("KinderStart"), which is headquartered in Norwalk, California. I am a former  
 26 elementary school teacher, and now handle projects, marketing, and research for an organization  
 27 in the Los Angeles County area.

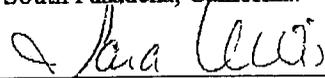

1 expecting parent seeking accessible, reliable sources of information from the Internet about  
2 parenting, infants and toddlers. As an expecting parent seeking easy access to important  
3 parenting and child development topics, I found that generalized search engines that produced  
4 over 100,000 results with several key words was not very helpful. Specifically, I began assembling  
5 a directory and index for www.kinderstart.com for information about traveling with young  
6 children, visiting theme parks, fertility clinics, child development/special needs questions, health  
7 problems, learning activities, etc. Based on all my combined business, teaching, and parenting  
8 skills, I expended at least 2,000 hours since the year 2000 to build up the content of  
9 www.kinderstart.com and accumulate a very loyal and committed audience from all over the  
10 United States and the world. Since we were interested in delivering this content freely to parents,  
11 teachers, health care givers, and educators who trust us, never has KinderStart collected personal  
12 contact information or amassed a paid subscriber base from among our many thousands of  
13 visitors.

14 4. Attached to this Declaration is a small sample of referrals and references about  
15 www.kinderstart.com from all over the world.

16 5. On information and belief, www.kinderstart.com was removed from Google Web  
17 Index in March 2005. No one at KinderStart, including myself, has ever received any advance  
18 notice from Google about the occurrence, cause or reason for the Website's removal. Never has  
19 Google contacted me about how or why the Website was so removed or how it could be placed  
20 back within the Google index.

21 I DECLARE UNDER PENALTY OF PERJURY, that the above is based on my personal  
22 knowledge, except for those matters noted above that are based on my information and belief.

23 Executed on this 6 day of May, 2006 in South Pasadena, California.
