Final Pretrial Conference

4. The Court will conduct a Final Pretrial Conference on the date set forth in the Case Schedule. The trial attorneys must attend the conference. At the final pretrial conference, the Court will consider issues raised in the Final Pretrial Conference Statement, motions *in limine* and discuss the procedures for trial of the case.

Lodging Witness Lists and Exhibit Lists

5. At the Final Pretrial Conference, the parties shall lodge with Chambers the joint list of witnesses, and a joint list of exhibits. Unless otherwise ordered, all exhibits shall be in a format compatible with either the video or digital evidence presentation system utilized by the Court. The proffering party shall retain custody of all exhibits, schedules, summaries, diagrams or charts to be used at the trial.

6. To accommodate consideration of electronic exhibits, as the trial progresses, the parties will load images of the admitted exhibits onto a stand alone hard drive or CD or DVD in “pdf” format. The parties shall ensure that, apart from whatever technical material is necessary to operate the system, the CD, DVD or hard drive contains only the items specified in this order and nothing else. The images will be placed in a folder labeled “Admitted Exhibits” that shall contain all trial exhibits received into evidence. In addition to the exhibits, themselves, the folder shall contain a file labeled “List of Admitted Exhibits by Exhibit Number.” The “List” shall list in numerical order by Trial Exhibit Number, each admitted exhibit, along with the date of the document (where available), and a brief description of the exhibit. To the extend practicable, the “List” shall be text searchable and hyperlinked to the Exhibits, themselves. The folder shall contain a second file labeled “List of Admitted Exhibits by Date.” This second “List” shall contain the same information, except that the exhibits will be listed in chronological order, according to the date the document was prepared. The external stand alone hard drive or CD or DVD and a printed copy of the exhibit lists will be marked as exhibits and placed in evidence as demonstrative exhibits.

1 7. Before the case is submitted for decision, each party will be deemed to have had an
2 opportunity to review the material described in the previous paragraph to ensure their accuracy.
3 Unless a party objects before the case is submitted for decision to the judge or jury, the party will be
4 deemed to have waived any and all objections to the submitted materials.

5 8. To accommodate review of electronic exhibits, the parties will jointly provide the
6 jury with the following equipment: a laptop computer, the external stand alone hard drive, CD or
7 DVD, a printer (and, if practicable, an LCD projector).

8 9. During its closing instructions, the Court will advise the jury of the form in which
9 exhibits will be submitted to them. The jury will also be instructed that, unless impracticable, upon
10 a juror's written request, a printed copy of any exhibit received in evidence will be provided to the
11 jury. Before the jury retires to deliberate, the parties will provide a tutorial to the jurors on how to
12 operate the equipment, how to view the exhibits, and how to print the exhibits if the jury wishes to
13 do so. A written set of instructions on operations of the equipment will be sent into the jury room.

14 10. When the jury is deliberating, at least one lawyer for each side shall remain in close
15 proximity to the courtroom. In the event of any technical problem, or if the jurors have questions
16 about how to operate the equipment, the jurors shall pass a note to the clerk, just as with any other
17 questions they may have. The Court will read the note to the lawyers. Those lawyers shall consult
18 with each other and with their respective technicians, and propose to the Court how they wish to
19 address the technical problem.

20 11. The parties shall maintain a backup laptop computer and a backup hard drive with
21 identical images and data at the courthouse such that, in the event of a technical problem that cannot
22 be quickly and easily remedied, the equipment can be replaced.

23 12. Unless the Court orders otherwise for good cause shown, the expense of the
24 equipment and the costs of preparation of the Lists and Exhibits will be shared equally among the
25 parties.

26 13. This Standing Order also applies to cases tried to the Court sitting without a jury,
27 except that paragraphs 8-11 do not apply.

28

1 21. In examining a witness, counsel shall not repeat or echo the answer given by the
2 witness.

3 22. Counsel must stand when making an objection.

4 23. Conferences at the bench or sidebar are not favored by the Court. Any sidebar
5 conferences which are allowed will be off the record. If any counsel wishes to place matters on the
6 record, he or she may so request, and the Court will make a responsive order.

7 24. Counsel have full responsibility to arrange for the appearance of witnesses during the
8 presentation of their case so as to eliminate delay caused by waiting for witnesses who have been
9 placed on call by counsel.

10 25. Unless an agreement to the contrary is entered into by opposing counsel, all nonparty
11 or nonexpert witnesses will be excluded from the courtroom when not testifying. When a witness
12 has completed his or her testimony, the witness is excused unless counsel indicates that he or she
13 wishes the witness to remain subject to being recalled. Any witness who has been excused from
14 further testimony may remain as a spectator. It will be the responsibility of counsel to make an
15 announcement at the time the witness steps down that he or she should remain in the environs of the
16 Court for a reasonable time to permit such counsel an opportunity to secure and serve a subpoena
17 upon the witness and assume responsibility for his or her per diem and other expenses as provided
18 by governing rule or statute.

19 26. Counsel shall admonish all persons at counsel table that gestures, facial expressions,
20 audible comments, or the like, as manifestations of approval or disapproval during the testimony of
21 witnesses, or at any other time, are prohibited.

22 27. Witness examination shall consist of direct examination, cross-examination and re-
23 direct examination. No recross-examination will be allowed without prior approval of the Court
24 specifically indicating the area for recross-examination. When there are multiple defense counsel,
25 they are directed to confer and designate to the Court the sequence in which they wish to be
26 recognized during trial for purposes of presenting opening statements and conducting cross-
27 examination of witnesses. If one counsel conducts the direct examination of a witness, that same

1 counsel must make objections when the witness is cross-examined. Counsel who will conduct the
2 cross-examination should object while the witness is on direct.

3 28. After the commencement of trial testimony, upon request of co-parties, any objection,
4 motion or other application for relief made by any co-party, orally or in writing, shall be deemed to
5 be adopted and joined in by every other co-party, without announcement by counsel to that effect,
6 and the rulings of the Court shall be deemed applicable to each party unless otherwise stated at the
7 time the ruling is made. Accordingly, it shall be regarded as unnecessary and improper for counsel
8 to rise to "join in" an objection or motion. Rather, counsel should rise to be heard only for the
9 purpose of expressly opting out of an objection or motion if that is his or her position.

10 29. Counsel are directed to deliver to opposing counsel at the end of each trial day (if not
11 earlier) a list of witnesses counsel anticipates calling the next trial day.

12 30. Counsel calling a non-client witness to testify should have no further discussions with
13 that witness concerning the case or any aspect of his or her testimony after the witness has been
14 tendered for cross-examination and until such time as the witness has been tendered back for redirect
15 examination. At all other times, within the bounds of governing ethics and the law, counsel may
16 engage in discussions with witnesses during trial.

17 31. Any time taken away from presentation of evidence to the trier of fact due to, for
18 example, lengthy legal motions made during the time allocated to the presentation of evidence, or
19 delays in the commencement of proceedings due to circumstances within the control of counsel, will
20 be deducted from the time allocated for the presentation of evidence. Upon timely application based
21 upon good cause, the Court may relieve a party of its stipulation to the agreed schedule.

22 32. It is the practice of the Court periodically to inform counsel of the Court's record of
23 how much time each side has remaining for the presentation of evidence based upon the stipulated
24 trial schedule.
