WHEREAS

On August 24, 2010, counsel for Abbott and AgaMatrix came before the Court on Abbott’s Motion to Compel Documents Required by Patent L.R. 3-4(a) and Documents Responsive to RFPs 11, 13, 14 and 15. At the hearing the Court directed AgaMatrix to produce additional documents responsive to these requests by September 17, 2010.¹ The Court also set a further hearing on Abbott’s Motion to Compel for September 21, 2010 to address any issues that may remain regarding the Motion after the AgaMatrix production.

On September 17, 2010, counsel for AgaMatrix sent a letter to Abbott’s counsel stating they had substantially completed their production of documents responsive to RFPs 11, 13, 14, 15, subject to certain issues set forth in the letter. The letter also identified certain documents or portions of documents as being redacted on the basis that they contained trade secrets and/or were not relevant to issues in this litigation. The letter was accompanied by a production of approximately 100,000 pages of materials, which arrived over the weekend of September 18.

Therefore, to permit Abbott to make an initial review of the production, and to permit the parties time to discuss issues relating to the production, the parties request the further hearing on Abbott’s Motion to Documents Required by Patent L.R. 3-4(a) and Documents Responsive to RFPs 11, 13, 14 and 15 be continued to September 28, 2010 at 10:00 am, or such other time as the Court sets.

¹ Abbott and AgaMatrix have a different understanding as to the scope of the Court’s order, but neither party believes this need be decided for the purposes of this stipulation.
