11           10.      Attached hereto as **Exhibit I** is a true and correct copy of an instant message  
12 conversation between Defendant David Gucwa and Defendant Wayne Chang, dated January 24,  
13 2005. This document was produced to Plaintiffs in this action in response to the February 21,

16 Monte M.F. Cooper in Support of Plaintiffs' Motion for Partial Summary Judgment. Doc. No.  
17 252.

18           11.      Defendants mischaracterize the facts leading up to the scheduling of Facebook's  
19 30(b)(6) witness. As Exhibit B to the Declaration of Scott Mosko shows, because Defendants had  
20 not served a Notice of Deposition with specific topics on which they sought to depose Facebook,  
21 I asked for more specificity. Mr. Mosko said he could not "at that time" provide more specificity,  
22 despite the fact that his request for a witness related to two "general topics," namely the operation  
23 of Facebook's servers and internet connections. Because Defendants refused to provide the  
24 requisite specificity as to the 30(b)(6) topics, Facebook was forced to provide dates for a witness  
25 who turned out not to be the appropriate choice. After Facebook provided this witness'  
26 availability, Defendants served a notice of 12 detailed topics. As a result of the new topics,  
27 Facebook was required to identify a different witness, who is scheduled to appear on Friday,  
28 February 15, 2008.
