E-FILED on 7/22/10

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

CHAD BRAZIL and STEVEN SEICK
individually and on behalf of all others
similarly situated,

 Plaintiffs,

 v.

DELL INC. and Does 1-10,

 Defendants.

No. C-07-01700 RMW

ORDER REGARDING MOTION TO SEAL

[Re Docket No. 236]

Plaintiffs move to file under seal its motion for class certification, the declaration of Roger N. Heller in support thereof, and all attached exhibits. A request to seal must establish that the document, or portions thereof, is privileged or protectable as a trade secret or otherwise entitled to protection under the law. Civ. L. R. 79-5(a). The request must be narrowly tailored to seek sealing of only sealable material. *Id.*

Having reviewed the material that plaintiffs seek to file under seal, the court has concerns about the extent of material which plaintiffs seek to file under seal. Plaintiffs have represented that it seeks to file these documents under seal because they have been designated confidential or contain information designated confidential by Dell. The court therefore orders Dell to either explain why all of the designated material is sealable or to submit a narrowly tailored request to file under seal

1 only those portions of the documents that are sealable material. If Dell does not submit a
2 satisfactory explanation or an appropriately narrowly tailored request within ten days, the motion to
3 seal will be denied.
