--	---

The parties stipulated to a 30 day extension of Defendant's time to respond to the Second Amended Complaint [Docket No. 42]. Defendant then filed an administrative motion seeking to extend that deadline an additional 30 days and seeking to vacate the Case Management Conference until after he served a response. No opposition was filed.

Because Defendant is representing himself in this matter, his request is GRANTED IN PART. The new deadline for responding to the Second Amended Complaint is Tuesday, February 26, 2008 (45 days from the original deadline). However, all other deadlines and hearings (including the Case Management Conference) remain in effect as previously scheduled.
