**I.
RECITALS**

1. The parties have been working diligently toward moving this case forward in an efficient, expeditious manner and have exchanged written discovery and responses.

2. The parties are in the process of scheduling private mediation with Justice Edward Panelli. The parties anticipate scheduling the mediation in late April or early May.

3. The parties wish to litigate this matter in a cost effective manner and avoid unnecessary expert retention expenses and attorneys fees and costs.

4. The Scheduling Order in this matter currently provides for expert disclosures on May 10, 2010.

5. Settlement at mediation would obviate the need for the parties to incur the cost of retaining experts and engaging those experts to prepare the narrative expert report required by FRCP 26(a)(2) and the depositions of such experts. The parties would like to avoid incurring these potentially unnecessary costs before the mediation.

6. For these reasons, the parties have agreed to stipulate to extend the deadline to designate experts as follows.

**II.
STIPULATION**

1. The parties hereby stipulate to revise the court's Scheduling Order to continue the designation of experts from May 10, 2010 to June 10, 2010.

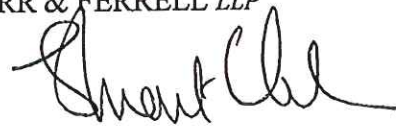

2. The parties hereby stipulate to revise the court's Scheduling Order to continue the deadline for rebuttal expert disclosures from May 24, 2010 to June 24, 2010.

3. The nature and extent of the disclosures, motions, other submissions to the court and any other substantive requirements associated with each of the deadlines set forth above remains unchanged from the Court's original Scheduling Order.
