- (1) The close of all discovery shall be extended to **March 23, 2009**.
- (2) The last date for hearing dispositive motions shall be extended to **May 18, 2009**.

Meet and Confer Requirement

1. No later than 30 days prior to the Final Pretrial Conference, the parties shall meet and confer with respect to the Joint Pretrial Conference Statement, submission of a joint list of witnesses, a joint list of trial exhibits and a joint list of discovery material which each party intends to offer in evidence as a part of its case-in-chief. Unless objections are made in accord with this Order, all witnesses, exhibits and discovery material contained on the joint submission shall be deemed admissible into evidence by stipulation.

Objections and Lodging Disputed Material with the Court

2. If a party objects to receipt into evidence of a witness, exhibits or discovery response, the party shall advise all opposing parties during the conference described in Paragraph 1, and attempt to resolve the dispute. If the parties are unsuccessful in resolving the dispute, any party wishing to object to receipt of the testimony of any witness, any exhibit or discovery response into evidence shall lodge with Chambers a copy of the disputed material at the commencement of trial. Attached to the submission shall be a brief statement of the objection and any response by the proffering party. The Court will indicate on the submitted copy whether the objection is overruled or sustained and return the material to counsel.

¹ Jury trials are held in afternoon sessions from 1:00pm to 4:00pm, Tuesdays through Fridays unless the Court otherwise specifies. At the Final Pretrial Conference, the Court reserves the right to fold the afternoon sessions into morning sessions (9:00 a.m. - 12:00 p.m.) thus creating full days for trial. The final trial schedule will be confirmed at the Final Pretrial Conference.

b. In Limine Motions: Any *In limine* motions shall be filed in writing and submitted along with the Joint Final Pretrial Conference Statement. Any opposition shall be filed in writing and served no later than fifteen (15) days before the Final Pretrial Conference. **Five (5) days** before the date of the Final Pretrial Conference, the parties shall organize their **in limine** motions as follows:

- (1) Each side shall be responsible for producing a combined folder with all of *their* in limine motions, oppositions to their motions (if any), and replies (if any), respectively. The motion papers shall be clearly marked and separated in one single binder. The binder shall contain a table of contents, listing each motion with a short sentence regarding the grounds for in limine and a short sentence regarding the opposition; all statements must be supported by proper citations to the motions. **The table of contents shall also be saved on a 3½ floppy disk in MS Word or WordPerfect format to be attached inside the binder.**
- (2) Please note that this binder is not a substitute for filing the motions and related papers via ECF; it is designed for the Court to evaluate the motions.
Two copies of the binder shall be delivered to the Court (by way of the Clerk’s Office) no later than **five (5) days before the date of the Final Pretrial Conference by 4 PM.** The parties must also bring the binder to the Final Pretrial Conference for their own references.
- (3) These motions will be deemed submitted without oral argument, unless the Court orders otherwise.

c. Proposed Jury Instructions: The parties shall filed their Proposed Jury Instructions thirty (30) days before the date of the Final Pretrial Conference. **The parties shall bring to the Final Pretrial Conference their Proposed Jury Instructions on a 3½ floppy disk in MS Word or WordPerfect format.**

Final Pretrial Conference

4. The Court will conduct a Final Pretrial Conference on the date set forth in the Case Schedule. The trial attorneys must attend the conference. At the final pretrial conference, the Court will consider issues raised in the Final Pretrial Conference Statement, motions *in limine* and discuss the procedures for trial of the case.

Lodging Witness Lists and Exhibit Lists

1
2 5. At the Final Pretrial Conference, the parties shall lodge with Chambers the joint list
3 of witnesses, and a joint list of exhibits. Unless otherwise ordered, all exhibits shall be in a format
4 compatible with either the video or digital evidence presentation system utilized by the Court. The
5 proffering party shall retain custody of all exhibits, schedules, summaries, diagrams or charts to be
6 used at the trial.

7 6. To accommodate consideration of electronic exhibits, as the trial progresses, the
8 parties will load images of the admitted exhibits onto a stand alone hard drive or CD or DVD in
9 “pdf” format. The parties shall ensure that, apart from whatever technical material is necessary to
10 operate the system, the CD, DVD or hard drive contains only the items specified in this order and
11 nothing else. The images will be placed in a folder labeled “Admitted Exhibits” that shall contain
12 all trial exhibits received into evidence. In addition to the exhibits, themselves, the folder shall
13 contain a file labeled “List of Admitted Exhibits by Exhibit Number.” The “List” shall list in
14 numerical order by Trial Exhibit Number, each admitted exhibit, along with the date of the
15 document (where available), and a brief description of the exhibit. To the extent practicable, the
16 “List” shall be text searchable and hyperlinked to the Exhibits, themselves. The folder shall contain
17 a second file labeled “List of Admitted Exhibits by Date.” This second “List” shall contain the
18 same information, except that the exhibits will be listed in chronological order, according to the date
19 the document was prepared. The external stand alone hard drive or CD or DVD and a printed copy
20 of the exhibit lists will be marked as exhibits and placed in evidence as demonstrative exhibits.

21 7. Before the case is submitted for decision, each party will be deemed to have had an
22 opportunity to review the material described in the previous paragraph to ensure their accuracy.
23 Unless a party objects before the case is submitted for decision to the judge or jury, the party will be
24 deemed to have waived any and all objections to the submitted materials.

25 8. To accommodate review of electronic exhibits, the parties will jointly provide the
26 jury with the following equipment: a laptop computer, the external stand alone hard drive, CD or
27 DVD, a printer (and, if practicable, an LCD projector).

1 9. During its closing instructions, the Court will advise the jury of the form in which
2 exhibits will be submitted to them. The jury will also be instructed that, unless impracticable, upon
3 a juror’s written request, a printed copy of any exhibit received in evidence will be provided to the
4 jury. Before the jury retires to deliberate, the parties will provide a tutorial to the jurors on how to
5 operate the equipment, how to view the exhibits, and how to print the exhibits if the jury wishes to
6 do so. A written set of instructions on operations of the equipment will be sent into the jury room.

7 10. When the jury is deliberating, at least one lawyer for each side shall remain in close
8 proximity to the courtroom. In the event of any technical problem, or if the jurors have questions
9 about how to operate the equipment, the jurors shall pass a note to the clerk, just as with any other
10 questions they may have. The Court will read the note to the lawyers. Those lawyers shall consult
11 with each other and with their respective technicians, and propose to the Court how they wish to
12 address the technical problem.

13 11. The parties shall maintain a backup laptop computer and a backup hard drive with
14 identical images and data at the courthouse such that, in the event of a technical problem that cannot
15 be quickly and easily remedied, the equipment can be replaced.

16 12. Unless the Court orders otherwise for good cause shown, the expense of the
17 equipment and the costs of preparation of the Lists and Exhibits will be shared equally among the
18 parties.

19 13. This Standing Order also applies to cases tried to the Court sitting without a jury,
20 except that paragraphs 8-11 do not apply.

21 14. The parties are ordered to meet and confer in advance of trial to establish a procedure
22 for complying with this Order with respect to electronic exhibits.

23 15. Upon request, in non-complex cases the Court will excuse the parties from using
24 electronic formatted documents. In that event on the first day of trial, the parties shall submit
25 exhibits as follows:

- a. A copy for the trial judge;
- b. A copy for the witness stand. Although the Court’s copy of exhibits shall be in a single binder, the Court prefers the parties to prepare a binder for each witness, which contains only those documents pertinent to that witness.
- c. No duplicates of a document shall be submitted, unless the duplicate copy has independent evidentiary value to prove some disputed issue of material fact (e.g., date stamp to prove receipt on a particular date, where date of receipt is a disputed issue of a material fact).

Jury Trial Schedule

16. The time allowed for trial shall be divided equally between the plaintiff’s side and the defendant’s side. Co-parties are ordered to meet, confer and agree to an allocation among themselves. A party may spend its allocated time presenting its own case or on cross-examination of witnesses called by other parties or for presentation of a counterclaim. When a party's allocated time period has expired, unless otherwise ordered for good cause shown, no further time will be allowed to that party if it would interfere with the ability of the opposing party to present its case.

Trial Procedure

17. In opening statements, counsel shall not express personal knowledge or opinion concerning any matter in issue.

18. Counsel must question witnesses from the podium, using the microphone. Without requesting permission, counsel may approach witnesses for any proper purposes.

19. Address all remarks to the Court, not to opposing counsel.

20. Refer to all persons, including witnesses, other counsel and the parties by their surnames and not by their first or given names.

21. In examining a witness, counsel shall not repeat or echo the answer given by the witness.

22. Counsel must stand when making an objection.

1 23. Conferences at the bench or sidebar are not favored by the Court. Any sidebar
2 conferences which are allowed will be off the record. If any counsel wishes to place matters on the
3 record, he or she may so request, and the Court will make a responsive order.

4 24. Counsel have full responsibility to arrange for the appearance of witnesses during the
5 presentation of their case so as to eliminate delay caused by waiting for witnesses who have been
6 placed on call by counsel.

7 25. Unless an agreement to the contrary is entered into by opposing counsel, all nonparty
8 or nonexpert witnesses will be excluded from the courtroom when not testifying. When a witness
9 has completed his or her testimony, the witness is excused unless counsel indicates that he or she
10 wishes the witness to remain subject to being recalled. Any witness who has been excused from
11 further testimony may remain as a spectator. It will be the responsibility of counsel to make an
12 announcement at the time the witness steps down that he or she should remain in the environs of the
13 Court for a reasonable time to permit such counsel an opportunity to secure and serve a subpoena
14 upon the witness and assume responsibility for his or her per diem and other expenses as provided
15 by governing rule or statute.

16 26. Counsel shall admonish all persons at counsel table that gestures, facial expressions,
17 audible comments, or the like, as manifestations of approval or disapproval during the testimony of
18 witnesses, or at any other time, are prohibited.

19 27. Witness examination shall consist of direct examination, cross-examination and re-
20 direct examination. No recross-examination will be allowed without prior approval of the Court
21 specifically indicating the area for recross-examination. When there are multiple defense counsel,
22 they are directed to confer and designate to the Court the sequence in which they wish to be
23 recognized during trial for purposes of presenting opening statements and conducting cross-
24 examination of witnesses. If one counsel conducts the direct examination of a witness, that same
25 counsel must make objections when the witness is cross-examined. Counsel who will conduct the
26 cross-examination should object while the witness is on direct.
