Civil Case No. 07-6222 RMW

**STIPULATION AND []  
 ORDER RE CASE SCHEDULE**

1 On May 7, 2010, the Court held a Claim Construction Prehearing Conference. Pursuant to  
 2 the Court's Order at the Prehearing Conference, the February 2, 2010 Case Management Order  
 3 (Dkt. No. 142) is vacated. Further, the parties hereby stipulate and jointly propose the following  
 4 case schedule for the Court's consideration:<sup>1</sup>

PARTY	EVENT	DATE
Defendants	Defendants are to identify all their products that have been sold that (1) are related to Halo's patents and (2) are understood by Defendants to be accused of infringement. If not already provided, Defendants shall provide Halo information sufficient to identify and analyze those products for purposes of proposing representative products.	No later than May 28, 2010
Halo	Halo is to identify deficiencies, if any, in Defendants' identification of products and/or production of information related to those products.	No later than June 4, 2010
All	The parties are to meet and confer regarding any alleged deficiencies identified by Halo.	No later than June 11, 2010
Halo	For each asserted claim, Halo is to provide each Defendant with an identification of a proposed representative product that allegedly infringes that claim and the family of products that the representative product represents.	No later than June 18, 2010
All	The parties are to meet and confer to reach agreement as to appropriate representative products and families represented as well as to reducing the number of claims in dispute.	No later than June 25, 2010
All	The parties are to exchange an amended list of proposed claim terms for construction. Except for good cause, other than the allegedly indefinite claim terms previously identified by Defendants under Patent L.R. 4-1, no additional claim term	No later than July 7, 2010

25  
 26 <sup>1</sup> Defendant E & E Magnetic Products Limited has filed a motion to dismiss this case pursuant to  
 27 Fed. R. Civ. P. 12(b)(2) and (6) and is not participating in this submission. Nevertheless, to the  
 28 extent product identifications and information identified in this submission are in the  
 possession, custody and control of Defendant Elec & Eltek (USA) Corporation ("E&E USA"),  
 E&E USA will provide such product identifications and information.

PARTY	EVENT	DATE
	shall be added to the terms identified in the parties' Joint Claim Construction and Prehearing Statement filed on April 5, 2010 (Dkt. No. 169).	
Defendants	Defendants are to provide Halo with proposed alternative constructions, if any, for allegedly indefinite terms, and to identify both extrinsic and intrinsic evidence supporting the proposed alternative constructions.	No later than July 12, 2010
Halo	Halo is to provide to Defendants a draft Amended Joint Claim Construction and Prehearing Statement.	No later than July 15, 2010
Defendants	Defendants are to provide to Halo any revisions to the draft Amended Joint Claim Construction and Prehearing Statement.	No later than July 19, 2010
All	The parties are to meet and confer to finalize the Amended Joint Claim Construction and Prehearing Statement.	No later than July 22, 2010
All	The parties are to submit to the Court an Amended Joint Claim Construction and Prehearing Statement including an identification of: 1) the asserted claims; 2) for each asserted claim, a proposed representative product of each Defendant that allegedly infringes that claim and the family of products that the representative product represents; 3) the claim terms proposed for construction including an identification of the 10 most significant terms as per Pat. L. R. 4-3(c); and 4) summary judgment motions each party intends to file which turn on the claim construction issues, and a proposed briefing schedule.	No later than July 28, 2010
All	Status conference with the Court to set briefing schedule for claim construction and summary judgment motions and to set date for <i>Markman</i> /summary judgment hearing.	August 6, 2010, subject to the Court's availability

1 Nothing in this stipulation shall be deemed to preclude any party from seeking additional  
2 discovery by motion or otherwise nor be deemed to preclude any objection by any party to  
3 producing additional discovery.

4 Respectfully submitted,
