12	NICK MASTERS,	}	No. C08-02473 PVT

16	Defendants.			
17	_____			

18 COME NOW THE PARTIES who have stipulated to the following request for an Order
19 extending the deadline by which this matter may be subject to an Early Neutral Evaluation
20 (hereinafter "ENE") to and including Friday, May 8, 2009

21 **CASE STATUS/REQUEST**

22 This case was referred to the ENE process on September 2, 2008 following the initial
23 Case Management Conference. Since that referral, the parties have been exchanging
24 information in good faith in lieu of formal discovery. Unfortunately, due to a trial that was
25 handled by Mr. Allard, counsel for Plaintiff was unable to take the deposition of Defendant as
26 scheduled and numerous calendar conflicts occurred. Additionally, counsel for both sides
27 have had numerous calendar conflicts with regard to availability for depositions and formal

1 compliance with all ENE requirements. Counsel agree that the current ENE deadline needs
2 to be extended to allow for an orderly progression of discovery and preparation for a
3 meaningful ENE process. This is the second such request in this matter. Counsel do not
4 anticipate that the requested extension will impact any other case management dates set forth
5 in the Case Management Order.
