**A BILL**

To amend title 18, United States Code, to authorize applications for a court order approving the use of electronic surveillance to obtain foreign intelligence information.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*  
3 That this Act may be cited as the "Foreign Intelligence

6 adding a new chapter after chapter 119 as follows:

1 *manner by Federal officers or employees without the*  
2 *consent of such person, except with the approval of the*  
3 *Attorney General where the information indicates a*  
4 *threat of death or serious bodily harm to any person.*

5 A denial of the application made under this subsection  
6 may be reviewed as provided in section 2523.

7 **“§ 2526. Use of information**

8 “(a) Information concerning United States persons  
9 acquired from an electronic surveillance conducted pursuant  
10 to this chapter may be used and disclosed by Federal officers  
11 and employees without the consent of the United States per-  
12 son only for purposes specified in section 2521 (b) (8) (A)  
13 through (F) *and in accordance with the minimization pro-*  
14 *cedures required by this chapter*, or for the enforcement of  
15 the criminal law if its use outweighs the possible harm to  
16 the national security. No otherwise privileged communica-  
17 tion obtained in accordance with, or in violation of, the  
18 provisions of this chapter shall lose its privileged character.  
19 *No information acquired from an electronic surveillance*  
20 *conducted pursuant to this chapter may be used or disclosed*  
21 *by Federal officers or employees except for lawful purposes.*

22 “(b) The minimization procedures required under this  
23 chapter shall not preclude the retention and disclosure, for  
24 law enforcement purposes, of any information which consti-  
25 tutes evidence of a crime if such disclosure is accompanied

1 by a statement that such evidence, or any information de-  
2 rived therefrom, may only be used in a criminal proceeding  
3 with the advance authorization of the Attorney General.

4 “(c) Whenever the Government *of the United States,*  
5 *of a State, or of a political subdivision thereof* intends to  
6 enter into evidence or otherwise use or disclose in any trial,  
7 hearing, or other proceeding in or before any court, depart-  
8 ment, officer, agency, or other authority of the United  
9 States, *a State, or a political subdivision thereof,* any infor-  
10 mation obtained or derived from an electronic surveillance,  
11 the Government shall prior to the trial, hearing, or other  
12 proceeding or at a reasonable time prior to an effort to so  
13 disclose or so use the information or submit it in evidence  
14 notify the court in which the information is to be disclosed or  
15 used or, if the information is to be disclosed or used in or  
16 before another authority, shall notify a court in the district  
17 wherein the information is to be so disclosed or so used that  
18 the Government intends to so disclose or so use such infor-  
19 mation. Whenever any court is so notified, or whenever a  
20 motion is made pursuant to section 3504 of this title, or any  
21 other statute or rule of the United States to suppress evidence  
22 on the grounds that it was obtained or derived from an un-  
23 lawful electronic surveillance, the court, or where the mo-  
24 tion is made before another authority, a court in the same  
25 district as the authority, shall notwithstanding any other

1 law, if the Government by affidavit asserts that an adversary  
2 hearing would harm the national security or the foreign  
3 affairs of the United States, review in camera and ex parte  
4 the application, order, and so much of the transcript of the  
5 surveillance as may be necessary to determine whether the  
6 surveillance was authorized and conducted in a manner that  
7 did not violate any right afforded by the Constitution and  
8 statutes of the United States to the person aggrieved: *Pro-*  
9 *vided*, That in making this determination, the court shall dis-  
10 close to the aggrieved person portions of the application,  
11 order, or transcript only where such disclosure is necessary  
12 for an accurate determination of the legality of the surveil-  
13 lance. If the court determines that the electronic surveillance  
14 of the person aggrieved was not lawfully authorized or con-  
15 ducted, the court shall in accordance with the requirements  
16 of law suppress that information which was obtained or  
17 evidence derived unlawfully from the electronic surveillance  
18 of the person aggrieved.

19       “(d) Any person who has been a subject of electronic  
20 surveillance and against whom evidence derived from such  
21 electronic surveillance is to be, or has been, introduced or

23 in or before any court, department officer, agency, regulatory  
24 body, or other authority of the United States, a State, or a

1 political subdivision thereof, may move to suppress the con-  
2 tents of any communication acquired by electronic surveil-  
3 lance, or evidence derived therefrom, on the grounds that—

4 “(1) the communication was unlawfully acquired;

5 or

6 “(2) the surveillance was not made in conformity  
7 with the order of authorization or approval.

8 Such motion shall be made before the trial, hearing, or pro-  
9 ceeding unless there was no opportunity to make such motion  
10 or the person was not aware of the grounds of the motion.

11 “(e) Whenever any court is notified in accordance with  
12 subsection (c), or whenever a motion is made by an aggrieved  
13 person pursuant to subsection (d), to suppress evidence on  
14 the grounds that it was obtained or derived from an unlawful  
15 electronic surveillance, or whenever any motion or request is  
16 made by an aggrieved person pursuant to section 3504 of this  
17 title or any other statute or rule of the United States, to dis-  
18 cover, obtain, or suppress evidence or information obtained or  
19 derived from electronic surveillance, the Federal court, or  
20 where the motion is made before another authority, a Federal  
21 court in the same district as the authority, shall, notwithstand-  
22 ing any other law, if the Government by affidavit asserts that  
23 disclosure or an adversary hearing would harm the national  
24 security of the United States, review in camera and ex parte  
25 the application, order, and other materials relating to the sur-

1 *veillance as may be necessary to determine whether the surveil-*  
2 *lance was authorized and conducted in a manner that did not*  
3 *violate any right afforded by the Constitution and statutes of*  
4 *the United States to the aggrieved person. In making this*  
5 *determination, the court shall disclose to the aggrieved person*  
6 *portions of the application, order, or other materials relating*  
7 *to the surveillance only where such disclosure is necessary to*  
8 *make an accurate determination of the legality of the surveil-*  
9 *lance. If the court determines that the electronic surveillance*  
10 *of the aggrieved person was not lawfully authorized or*  
11 *conducted, the court shall in accordance with the requirements*  
12 *of law suppress the information obtained or evidence derived*  
13 *from the unlawful electronic surveillance. If the court deter-*  
14 *mines that the surveillance was lawfully authorized and con-*  
15 *ducted, the court shall deny any motion for disclosure or*  
16 *discovery unless required by due process.*

17       “~~(d)~~ (f) If an emergency employment of the electronic  
18 surveillance is authorized under section 2525 (d) and a sub-  
19 sequent order approving the surveillance is not obtained, the

18 which the communication is to be acquired. Any violation of  
19 this subsection by a communication common carrier or an  
20 officer, employee, or agency thereof, shall render the carrier  
21 liable for the civil damages provided for in section 2520. *No*
