IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

Joel Cabrera,

NO. C 08-03761 JW

Plaintiff,

**ORDER GRANTING PLAINTIFF’S  
MOTION FOR ATTORNEY FEES**

v.

Bay Area Credit Services,

Defendant.

\_\_\_\_\_ /

Presently before the Court is Plaintiff’s Motion for Attorney’s Fees and Costs. (hereafter, “Motion,” Docket Item No. 29.) Plaintiff seeks an award of \$5,198.50 in attorney fees and costs. (Motion at 10.) Defendant opposes, contending that the amount of fees requested is excessive. (Defendant Bay Area Credit Services, Inc.’s Opposition to Plaintiff’s Motion for Attorney’s Fees at 1, Docket Item No. 31.)

After finding that a plaintiff is entitled to fees, “[i]t remains for the district court to determine what fee is reasonable.” Hensley v. Eckerhart, 461 U.S. 424, 433 (1983). The law is well-established that the starting point for determining the amount of an attorney fee award is to calculate the “Lodestar.” Id.; Morales v. City of San Rafael, 96 F.3d 359, 363 (9th Cir. 1996). A court calculates the Lodestar by “multiplying the number of hours the prevailing party reasonably expended on the litigation by a reasonable hourly rate.” Id. Once the Lodestar is calculated, there exists a strong presumption that the figure “represents a reasonable fee.” Id. at 363 n.8. Nevertheless, after the Lodestar is calculated, a court may assess “whether it is necessary to adjust the presumptively reasonable Lodestar figure on the basis of the Kerr factors that are not already

United States District Court  
For the Northern District of California

1 subsumed in the initial Lodestar calculation.” Id. at 363; Kerr v. Screen Guild Extras, Inc., 526 F.2d  
2 67, 70 (9th Cir. 1975).<sup>1</sup> While it is not incumbent on the court to address the Kerr factors expressly,  
3 it must take into account those factors not already subsumed in the Lodestar. Morales, 96 F.3d at  
4 364 n.10.

5 In this case, the parties entered into a settlement agreement under which they agreed to  
6 negotiate the payment to Plaintiff of reasonable attorney fees, and submit the matter to the Court if  
7 they could not reach a resolution. (Motion, Ex. B.) Plaintiffs seek \$5,198.50 in fees and costs  
8 according to the following:

9 Attorney	Hours	Rate	Total
10 Adam Krohn	3.0	\$394	\$1,182
11 Mike Agruss	4.7	\$290	\$1,363
12 Nicholas Bontrager	9.2	\$175	\$1,610
13 Harry Bradley	1.5	\$254	\$381
14 Clerk	2.5	\$125	\$312.50

15 Plaintiff also seeks \$350 in costs. (Motion, Ex. C.)

16 Upon consideration of the documents provided by the parties and the Kerr factors outlined  
17 above, the Court finds, with one exception, the amount of fees and costs requested are reasonable.  
18 With respect to the work performed after the February 26, 2009 Notice of Settlement was filed, the  
19 Court finds that all such work was in connection with Plaintiff’s counsel’s negotiations for attorney  
20 fees. The Court finds that post settlement negotiations regarding attorney fees cannot be  
21  
22

---

23  
24 <sup>1</sup> The twelve Kerr factors bearing on the reasonableness of the calculation of attorney fees  
25 under federal law are: 1) the time and labor required, (2) the novelty and difficulty of the questions  
26 involved, (3) the skill requisite to perform the legal service properly, (4) the preclusion of other  
27 employment by the attorney due to acceptance of the case, (5) the customary fee, (6) whether the fee  
28 is fixed or contingent, (7) time limitations imposed by the client or the circumstances, (8) the  
amount involved and the results obtained, (9) the experience, reputation, and ability of the attorneys,  
(10) the “undesirability” of the case, (11) the nature and length of the professional relationship with  
the client, and (12) awards in similar cases. Id.

1 appropriately charged to Defendant. Thus, the Court subtracts a total of \$629.50<sup>2</sup> from the fees  
2 requested by Plaintiff, for a total award of \$4,569.

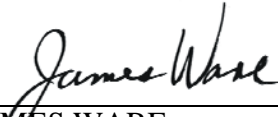

3 Accordingly, the Court GRANTS Plaintiff's Motion for Attorney's Fees and Costs. Plaintiff  
4 is awarded attorney fees and costs in the total amount of \$4,569.

5 On or before **June 25, 2009**, the parties shall file a Stipulated Dismissal. Failure to do so  
6 may result in appropriate sanctions for both parties.
