Noc57 (2 months ago) [Reply](#) 0

Yeah man if you ever make it down to miami, we'd have some fun.

Got a couple buddies with some pimp rides. R8, Ford GT, some nice 650i's and a few others, and hopefully my new m3 will be here by then.

JTM98 (2 months ago) [Reply](#) +4

Ok you wasted too much on looks, what matters is under the hood, my Mustang gets more looks for the 351 Cobra Jet under the hood

Your a Domestic Ricer

ToughLife2007 (2 months ago) [Reply](#)

Domestic Ricer haha, Just my strut grill alone cost a hell of a lot more then your 351 under your hood, I invested over 100k cash into that car's mods bud, plenty of mechanical mods in there as well as non mechanical. Yes it is a 300c, I own a new range rover as well, and it sees that you my friend are a Used Car Buyer on a Tight Budget. When you start dropping a Quarter Million on 2 vehicles that I use as daily drivers like I do, then come talk to me, until then, you are a financial minion.

JTM98 (2 months ago) [Reply](#) +2

doesnt matter how much you put into a ricer, making cars ugly isnt my thing, i like fast, thats all,

I dont care if i dont spend my money into worthless shit like paint, ill save my cash thanks

Have fun at the Ricer convos

[aprilthecoolsteve](#) (2 months ago) [Reply](#) +1  

there are way more important things to spend 25,000 dollars on

like an education, or a house, or bills, or charities

making a difference is way cooler than driving a car that looks like it was made in the 90s
all that over decorating is outdated

[pleasenoji93](#) (2 months ago) [Reply](#) -1  

Do you not understand that all the money you make in your life cannot go in to an education, house, or bills, etc.? How do you know the owner of that car isn't a multimillionaire and had already covered education, etc. YOU DONT. So stfu.

[aprilthecoolsteve](#) (2 months ago) [Reply](#) +1  

and you dont know that he blows all his money on stupid ass shit

who are you to be so offended my my simple and honest comment

your so scary with ur abbrev. "stfu"
woah im shakin in my boots

[JoeyNoFunBags](#) (2 months ago) [Reply](#) +1  

it must have bad gas mileage

[1life5](#) (2 months ago) [Reply](#) -1  

Aleatst its not a honda civic or some crappy car like that ... n it looks good not like 1 of those cars with so much tunes n mods
it looks worse then stock

Nice ride man, Few of my buddies got tricked out 300's and some pimp 650i's. That engine was sick.

Just ordered a new m3, Alpine white w/carbo fiber....Gonna put some custom black rims on it and that's about it. I'll stick with performance upgrades...

Really though, nice job.

trident68 (2 months ago) [Reply](#) +5

Absolutely AWFUL music. Is that a Swastika painted on the hood?

Other than that, looks good. Nice attention to detail

saywhatinknowin (2 months ago) [Reply](#) 0

yeah right and the holocost never happened!

fillweb (2 months ago) [Reply](#) 0

The symbol on the hood is the Iron Cross; a Prussian/German military decoration.

ogschizo (2 months ago) [Reply](#) 0

its an iron cross asshole not a swastika

you were in montreal during the F1 weekend right? cuz i remember that car

[ToughLife2007](#) (2 months ago)

[Reply](#)

Yes I was, I actually was visiting a friend at 1200 De Maisoneuve (Thats those huge new Condo's two blocks east of Crescent street, there was about 6 lambo's and ferrari on display there, The Valet Parking guy rolls up in my car and EVERYONE drops the lambos and ferraris to come see my car! I am sure you remember this if you were there, there was about 500 people SURROUNDING my car with the parking attendant in it lol. That was a true SHOW moment as I watched from the sidewalk, cameras flashed!
