E-FILED on: 6/23/10

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,

Plaintiff,

v.

CARLOS SANDOVAL-VALDEZ,

Defendant.

NO. C-08-04766-RMW
(Related to: CR-07-00771-RMW)

ORDER DENYING MOTION TO REDUCE
SENTENCE

Carlos Sandoval Sandoval-Valdez moves to reduce his sentence for illegal re-entry following deportation. He essentially claims he has been discriminated against because different benefits are available to United States citizens who are prisoners than are available to illegal aliens who are prisoners. He also seeks to have points taken off his offense level calculation because that reduction is available to those who accept a final deportation order.

The court hereby summarily denies the motion.
