STIPULATION FOR APPROVAL OF DISTRIBUTION OF CLASS NOTICE TO POTENTIAL OPT-IN PLAINTIFFS
CERVANTES, et al. v. ACF CUSTON CONCRETE CONSTRUCTION, INC. et al Case No. C08-4798 RS

1 Plaintiffs JUAN CERVANTES, RAFAEL ARVIZU, NICOLAS GOMEZ, CESAR
2 NAVA, and ALEJANDRO CRUZ-SANDOVAL (“the Plaintiffs”) and Defendants A.C.F.
3 CUSTOM CONCRETE CONSTRUCTION, INC, ART C. FISHER, seek and hereby stipulate
4 to an order approving: 1. proposed collective class action notice for distribution to potential
5 opt-in Plaintiffs; 2. a sixty (60) day notice period from the date of entry of this Order for
6 Plaintiffs’ counsel to distribute the notice and opt-in consent form, and file opt-in consent
7 forms; and 3.) order that Defendants post the collective action notice at Defendants’ place of
8 business

10 BACKGROUND

11 Plaintiffs worked for Defendant ACF Concrete Construction in the trade of laying
12 concrete. Plaintiffs now seek Certification of an FLSA Collective Action through which the
13 named Plaintiffs would represent the following group of workers: all current and former
14 employees of Defendant A.C.F. CUSTOM CONCRETE CONSTRUCTION, INC. who have
15 performed construction involving the trade of laying concrete for work on public works
16 projects or on private concrete pouring projects for Defendant A.C.F. CUSTOM CONCRETE
17 CONSTRUCTION, INC. between OCTOBER 20, 2004 and APRIL 23, 2009.

19 Plaintiffs allege that they were not paid for all their hours worked. The lawsuit also
20 claims that the Defendants pay practices violated the federal minimum wage law. Defendants
21 deny these allegations.

23 ANALYSIS

24 The parties ask this Court to conditionally certify a collective action and to: 1.) approve
25 sending the proposed collective action notice to all potential opt-in Plaintiffs; 2.) grant
26 Plaintiffs’ counsel sixty days from the date of entry of this Order to distribute notice and file
27 opt-in consent forms; and 3.) order Defendants to post the collective action notice at their place
28 of business.

1 **I. CONDITIONAL CERTIFICATION OF FLSA COLLECTIVE ACTION**

2 “Courts have held that conditional certification requires only that ‘plaintiffs make
3 substantial allegations that the putative class members were subject to a single illegal policy,
4 plan or decision.’” *Leuthold v. Destination America, Inc.*, 224 F.R.D. 462, 467-448 (N.D. Cal.
5 2004). Plaintiffs allege Defendants violated the FLSA by failing to pay Plaintiffs for all hours
6 worked. Plaintiffs also allege that wages paid fell below the minimum wage. Additionally,
7 attached to Plaintiffs’ complaint are FLSA opt-in forms signed by nine (9) former employees,
8 which indicates that other workers may desire to opt in. The parties stipulate that the concrete
9 layers employed by Defendant ACF Concrete were employed the terms of the same
10 employment contracts, and are similarly situated with respect to their pay provision and job
11 requirements. The parties stipulate that a substantial number of workers were employed in
12 nearly identical positions, alleging nearly identical types of wage violations. Therefore,
13 conditional certification of collective action is appropriate.
14

15
16 **II. NOTICE OF COLLECTIVE ACTION**

17 “The FLSA requires the court to provide potential plaintiffs ‘accurate and timely notice
18 concerning the pendency of the collective action, so that they can make informed decisions
19 about whether to participate.’” *Hoffmann-La Roche II*, 493 U.S. 165, 170 (1989). Additionally,
20 “[i]n exercising the discretionary authority to oversee the notice-giving process, courts must be
21 scrupulous to respect judicial neutrality. To that end, trial courts must take care to avoid even
22 the appearance of judicial endorsement of the merits of the action.” *Hoffman La Roche, Inc. v.*
23 *Sterling* (1989) 493 US, 465, 493.

1 **III. FORM OF NOTICE**

2 The purpose of the notice to the class is to provide “accurate and timely notice of the
3 pendency of the collective action...” *Hoffman La Roche, Inc.* at 493. Plaintiffs will distribute
4 the notice by both first class mail and word of mouth.

5 The parties stipulate to the following notice to the class:

6 **Notice of Right to Opt-In**

10 concrete for work on public works projects or on private concrete pouring projects for

12 AND MAY __, 2009.
