

1 justice. See id. The petition indicates that petitioner was convicted in Solano
2 County, which lies within the venue of the Eastern District of California, and that he
3 is confined in Lancaster (Los Angeles County), which lies within the venue of the
4 Western Division of the Central District of California. See 28 U.S.C. 84(b) and (c).

5 Since the petition is directed to the manner in which a sentence is being
6 executed, the district of confinement is the preferable forum. See Dunne v. Henman,
7 875 F.2d 244, 249 (9th Cir. 1989) (“The proper forum to challenge the execution of
8 a sentence is the district where the prisoner is confined.”); see also Habeas L.R.
9 2254-3(b) (providing for transfer of venue to district of confinement “if the petition
10 is challenging the manner in which the sentence is being executed”). Because
11 petitioner is confined in the Central District, the petition will be transferred to that
12 district.

13 Accordingly, the above-titled action is hereby TRANSFERRED to the United
14 States District Court for the Western Division of the Central District of California.
15 See 28 U.S.C. §§ 1404(a), 2241(d); Habeas L.R. 2254-3. In light of this transfer, the
16 Court will defer to the Central District with respect to petitioner’s pending motions.
17 (Docket Nos. 2, 3 and 5.)

18 The clerk shall transfer this matter and terminate any pending motions.
