E-FILED on 8/13/10

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

THE CENTRAL INSTITUTE FOR
EXPERIMENTAL ANIMALS, a Japanese
corporation,

Plaintiff,

v.

THE JACKSON LABORATORY, a Maine
corporation,

Defendant.

No. C-08-05568 RMW

ORDER DENYING MOTION TO SEAL

[Re Docket Nos. 176, 183, 185]

The parties seek to file portions of defendant Jackson Laboratory ("Jackson")'s amended supplemental answer and counterclaims under seal. Having reviewed the material that the parties seek to file under seal and having considered plaintiff Central Institute for Experimental Animals ("CIEA")'s explanation for why the material should be sealed, the court does not see a basis for sealing this material and thus denies the motion to seal.

DATED: 8/13/10

RONALD M. WHYTE
United States District Judge
