Re: *Carrasco v. San Ramon Valley USD*, USDC, N.D. Cal. No. C04 2395 CRB

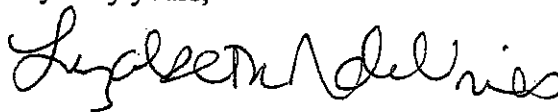

Dear Mr. Erlewine:

As you suggested on the telephone today, below is a description of the contracts I have requested from the district and now request from Sodexo.

I understand there to be two different types of consultant contracts between the San Ramon Valley Unified School District and Sodexo. The **first** relates to food and nutrition. I would like a copy of the consulting contracts relating to food services between the years of 1995 to the present. The **second** relates to Sodexo employees who work at school sites and/or the district. I believe those contracts relate to what is called "facilities" as opposed to food. I would like a copy of the consulting contracts relating to the following employees: Larry Shannon, Bessie Argallon, and Sandy Queirolo.

Thank you for your professional courtesy in responding to me as quickly as possible.

Very truly yours,

Lizabeth N. de Vries
