*Premier League v. YouTube*, No. 1:07-cv-3582

Dear Brandon:

Our communications with you have been part of an effort to retrieve properly requested documents that you believe are relevant to YouTube's dispute with Viacom (as only you know what documents you want) and to ensure that the search for such documents need not be performed twice. We understand from your letter dated May 29, 2008 that you will not suggest additional search terms and that you are not aware of any additional search terms that you believe will retrieve properly requested documents responsive to YouTube's subpoena. We will therefore proceed with BayTSP's document collection and production.

Sincerely,

/s/ Maria Ellinikos
