Maria, it seems we have bit of a chicken/egg problem but since you have the list and we don't, it's hard for us to agree without knowing what is in and what is out. Can we see the master list and the subset of entities that you would like to exclude from the definition?

Brandon,

The term Viacom-related entities is ambiguous because we do not know what entities YouTube considers to be related to Viacom. Are you agreeable to replacing the phrase "subsidiaries of Viacom " with the phrase "the agreed upon list of Viacom-related entities"? If that is acceptable, please interlineate and return.

Maria,

I received your letter and all looks fine except that I'm not sure what the definition of "subsidiaries" is and would prefer to capture any Viacom related entity. That may be co-extensive with "subsidiaries" but since you have the list of Viacom-related entities and I don't, I can't be sure. If that is acceptable, I can simply interlineate and return.
