Re: *Viacom International, Inc. v. YouTube, Inc.*, No. 1:07-cv-2103 (S.D.N.Y.) and
Premier League v. YouTube, No. 1:07-cv-3582

Dear Counsel:

In responding to YouTube's subpoena to BayTSP in the above-referenced action, BayTSP will proceed with the document collection based on our agreement that the following categories of documents are not called for under the subpoena: (1) documents related to BayTSP's clients that are not named plaintiffs, with the exception of the list of Viacom-related entities that own content or hold the right to distribute it that we provided to you on February 20, 2008; and (2) BayTSP's source code, firm ware, computer programs and algorithms.

Please let me know by Friday, March 28, 2008 if the above does not comport with your understanding of our agreement.

Sincerely,

/s/ Maria Ellinikos
