1 This Court held a Case Management Conference on June 5, 2009, wherein the Court
2 ordered the parties to serve their initial disclosures under Federal Rule of Civil Procedure 26 by July
3 31, 2009. Since the Case Management Conference, the parties have been attempting to schedule
4 both an informal settlement conference between the parties and a formal settlement conference with
5 the Court.

6 To that end, the parties have scheduled an informal attempt to resolve the case for
7 August 11, 2009, and have scheduled a settlement conference with Magistrate Lloyd for August 28,
8 2009. In order to facilitate the swift resolution of this matter at either settlement conference and to
9 minimize the costs associated with the litigation, the parties wish to delay the service of their initial
10 disclosures until September 15, 2009, by which time the parties will know whether early resolution
11 is possible. If no resolution is reached by September 15, 2009, the parties stipulate that they will
12 serve the initial disclosures as required by Rule 26 on that date.

13 Accordingly, the parties hereby request and stipulate that the deadline to serve initial
14 disclosures should be continued from July 31, 2009 to September 15, 2009.
