STIPULATION AND AGREEMENT

WHEREAS, the Parties are currently addressing document issues that include materials to be provided to each side's respective damages experts;

WHEREAS, the resolution of the document issues will not permit each side's experts to meet the current deadline of April 16, 2010 for disclosure of initial expert reports;

WHEREAS, the Parties believe that a short two-week extension of the expert disclosure and discovery schedule will serve the interests of efficiency and avoidance of waste in the expert portion of the case;

WHEREAS, a short-two week extension of the expert disclosure and discovery schedule can be accomplished without change of any other dates in the pretrial and trial schedule;

NOW IT IS THEREFORE STIPULATED AND AGREED BY AND AMONG THE PARTIES AS FOLLOWS:

1. The date for disclosure and exchange of initial experts and reports is extended from April 16, 2010 to April 30, 2010;
2. The date for disclosure and exchange of rebuttal experts and reports is extended from April 30, 2010 to May 14, 2010.
3. The date for close of expert discovery is extended from May 14, 2010 to May 28, 2010.
4. In all other respects the current pretrial and trial schedule shall remain unchanged.
