I, Nathan Greenblatt, declare:

I am an attorney with the law firm of Weil, Gotshal & Manges LLP, counsel of record for Defendant and Counter-Claimant Apple Inc. ("Apple") in the above-captioned matter. I submit this declaration based on personal knowledge and following a reasonable investigation. If called upon as a witness, I could competently testify to the truth of each statement herein.

1. I prepared the redacted version of Apple Inc.'s Opposition to Elan Microelectronics Corporation's Motion to Compel Discovery on Various Issues ("Apple's Motion"). Based on my review, the redacted portions contain confidential technical information regarding the operation of Apple's products, as well as internal codenames, which could harm Apple if publicly disclosed.

2. I have reviewed **Exhibit 8** to the Declaration of Nathan Greenblatt in Support of Apple's Motion ("Greenblatt Declaration"). Based on my review, the exhibit consists predominantly of confidential technical information regarding the operation of Apple's testing tools, as well as internal codenames, which could harm Apple if publicly disclosed.

3. I prepared the redacted version of **Exhibit 9** to the Greenblatt Declaration. Based on my review, the redacted portions consist of internal codenames, which could harm Apple if publicly disclosed.

4. I have reviewed **Exhibit 10** to the Greenblatt Declaration. Based on my review, the exhibit consists predominantly of confidential technical information regarding Apple's products, as well as internal codenames, which could harm Apple if publicly disclosed.

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on August 9, 2011, at Redwood Shores, California.
