ORDER

On November 30, 2009 the court issued its findings of fact and conclusions of law following the court trial in this matter. The court previously granted in part and denied in part the parties' cross-motions for summary judgment. It appears to the court that it may now be appropriate to enter judgment, and the parties are therefore directed to identify for the court all issues that remain to be resolved, if any. The parties shall file and serve their statements of remaining issues on or before December 11, 2009.
