Case No. C09-02838 JW

STIPULATION RE: 30-DAY
EXTENSION OF TIME
TO ANSWER OR OTHERWISE RESPOND TO PLAINTIFF'S COMPLAINT

Pursuant to Civil L. R. 6-1(a), the parties to this action stipulate to extend by thirty days, or until January 29, 2010, the time within which the defendants ${ }^{1}$ may answer or otherwise respond to plaintiff's First Amended Complaint. If plaintiff files a Second Amended Complaint by January 15, 2010, the parties stipulate that defendants may have until February 16, 2010 to answer or otherwise respond.

Good cause exists for this extension because on December 16, 2009, this Court entered an Order granting in part and denying in part defendants' Motion to Dismiss. In that Order, the Court directed that plaintiff file any amendment to his complaint by January 15, 2010. If plaintiff does not file a Second Amended Complaint, defendants' answer or other response to plaintiff's First Amended Complaint is currently due on December 30, 2009, before plaintiff's amended complaint would be due. It would not be an efficient use of resources for defendants to answer plaintiff's First Amended Complaint and then be required to further respond if plaintiff then filed a Second Amended Complaint. In addition, defendants require this extension because of the Christmas holiday and the vacation schedules of counsel for defendants. Finally, if plaintiff files a Second Amended Complaint, defendants will require the additional time in order to review the legal and factual bases underlying the Second Amended Complaint filed by plaintiff and determine the appropriate response. This change will not alter the date of any event or any deadline already fixed by Court order.
