E-FILED on 2/23/2011

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

CELLECTRICON AB and GYROS AB,

Plaintiffs,

v.

FLUXION BIOSCIENCES, INC.,

Defendant.

No. C-09-03150 RMW

ORDER DENYING ADMINISTRATIVE
MOTION TO SHORTEN TIME FOR
HEARING PLAINTIFFS' MOTION FOR
LIFTING THE STAY
[Re Docket No. 121]

On February 18, 2011, Cellectricon AB and Gyros AB (collectively "plaintiffs") filed a motion for lifting the stay in this matter. On the same day, plaintiffs also filed an administrative motion to shorten time pursuant to Local Rule 6-3, therein requesting that the court hear the motion for lifting the stay on February 25, 2011. Dkt. No. 121. Defendant Fluxion Biosciences, Inc., filed a timely opposition to the motion to shorten time. Dkt. No. 122. Having considered the papers submitted by both parties, the court finds that plaintiffs have not shown good cause that would justify depriving defendant of a reasonable opportunity to brief the motion and to have lead counsel

1 appear at the hearing. Accordingly, the administrative motion to shorten time is hereby denied.
2 Plaintiffs' motion for lifting the stay will remain noticed for March 25, 2011.
